HAPPY NEW YEAR!!!!

There are a number of superstitions about welcoming a new year. Here are a few from A Dictionary of Superstitions:

“On the stroke of 12, every door in the house has to be opened to allow the year to go out. A visitor arriving before 12 must not leave by the same door through which he came”.

“Never throw any ashes, dirty water, or any articles, however worthless, out of your house on (New Year’s Day). It brings bad luck; but you may take in as many honestly gotten goods as you can!”

Congratulation to our newest smiles!!!
